Promoting and protecting the health of the public and the environment.

PUBLIC NOTICE AMENDMENT REQUEST

The permittee for P/N# 2007-2342-1IQ-P, Saltmarsh at Seabrook LLC, has requested an amendment to that issued permit. Specifically, the applicant proposes to relocate the dock walkway. The high-ground starting point of the dock walkway will move 160 feet to the south from the originally permitted location, and the total walkway length will increase from 651' to 750'. The location of the terminal end of the walkway, the pierhead, and the floating dock will not change. The proposed amendment is an after-the-fact request for modifications to a community dock, on and adjacent to a tributary of Bohicket Creek at Tract C Landfall Way, Seabrook Island, Charleston County, South Carolina.

Written comments will be received on this amendment request until February 14, 2009, at the address listed below. For further information please contact the project manager, Bill Eiser, 843-953-0237.
